

Be Your Own Boss

Start a micro business

This innovative and affordable program exists to support and empower people with an intellectual or cognitive disability to establish a micro business.

ON THE JOB TRAINING

Develop practical, hands on experience in an existing NCEC enterprise.

PLAY TO YOUR STRENGTHS

Everyone has different skills and abilities. We work with you to identify and incorporate these in your business.

TAKE CHARGE

At the end of the course you will have established a business plan that works for you.
