

# Cooking Up Careers

## Practical kitchen skills for students

Designed especially for students about to leave high school, this individualised program sees young people enrolled in special education units develop useful hospitality skills.

### LEARN BY DOING

One-on-one support in a successful cafe. An individualised approach means you learn in a way that works for you.

### IDENTIFY YOUR STRENGTHS

We work with you to identify your on the job strengths and abilities and articulate them into a skills reference for employers.

### TAKE ON THE WORKFORCE

Start your hospitality career with confidence, knowledge and skill.
