

Your Place - Your Job

Learn practical kitchen skills

Whether it's for work or home, it's always handy to know your way around a kitchen! We offer individual job or home kitchen skills training for people with intellectual or cognitive disabilities.

LEARN BY DOING

We offer one-on-one or small group support in a successful social enterprise cafe.

FIND YOUR STRENGTHS

We work with you to identify your strengths and abilities and show you how you can best use these to your advantage.

TAKE CHARGE

The skills learnt in the course are designed to help you feel confident and capable in the kitchen.
